## South Carolina Bar Young Lawyers Division Each One Reach One Campaign

We want to get 50 members of the Young Lawyers Division to renew or donate for the first time to the Young Lawyer Legacy **AND** for each donor to secure the participation of a colleague.

A gift of \$300 qualifies you for the Young Lawyer Legacy.

**“I don’t have \$300!”** you say.

But **WAIT!**

The gift can be paid in increments or in one payment.

~\$25 a month?

~\$75 a quarter?

~Three \$100 payments?

**That’s doable, right?**

Sign yourself up and secure the participation of a colleague.

Participants must be in the YLD of the SC Bar. Gifts must be paid in full by the end of the campaign.

### **Why should the YLD care about the South Carolina Bar Foundation?**

The SC Bar Foundation is the charitable arm of the Bar. Through our grantees, we advance justice by improving access, education and accountability. The Foundation’s mission is in line with the goals and ideals of many young lawyers. **PLUS — 25% of all campaign proceeds will be equally divided among Children’s Chance, Sexual Trauma Services of the Midlands, Special Olympics and The Cooperative Ministry. That’s \$7,500 if we meet our goal!**

### **So what do I need to do?**

1- Commit to a \$300 gift to the Foundation paid in full within 12 months of commitment.

2- Ask a colleague to join you in doing the same!

The form on the reverse of this tab will help. You sign up in the *Each One* area and sign up your colleague friend in the *Reach One* box.

### **Donors will be recognized:**

- \*On the Foundation Web site
- \*At the Bar Convention
- \*In a special E-Blast to YLD members
- \*In an end-of-campaign listing in newsletter and annual report

Many young lawyer interests are served through grantees of the South Carolina Bar Foundation.

Please join us.
